# Floorplan Mangapiko

This stunning 147 sqm urban-style design caters perfectly to growing families. Featuring three generously sized double bedrooms, with the master suite boasting a walk-in robe and large sliding doors leading to the outdoor area. The well-appointed family bathroom offers a shower and a standalone bath, perfect for relaxation, while the separate toilet alleviates morning queues.

The contemporary galley kitchen is a masterpiece of functionality, featuring a free-standing island, ample storage space, and a large walk-in pantry. Seamlessly integrating with the dining and living areas, this is the perfect combination for entertaining or simply enjoying family meals.

Step outside from the dining area and discover a large alfresco entertainment space - the ideal spot for hosting barbecues, relaxing with loved ones, or soaking up the fresh air. The effortless flow between indoors and outdoors creates a truly relaxing atmosphere.

A single garage with a built-in laundry provides both security and practicality, completing the functional floor plan of this home.
