Floorplan Kauri

Further elevate your living experience with our stunning single level open-plan design. The Kauri plan is a 170sqm classic modern design which fits beautifully on this 502sqm section. Low maintenance and functional, the free-flowing layout is perfect for family living, entertaining and those seeking an active lifestyle or easy living.

The centrepiece and social hub here, is the open-plan kitchen with a central island that connects seamlessly to the dining, living, and alfresco entertaining areas.

Thoughtfully designed, this home features three double bedrooms, with a generous master incorporating an exquisite ensuite, and walk-in wardrobe. The rest of the household is served by a modern family bathroom.

With easy access to main roads, boat clubs, One Tree Point School, and an upcoming shopping centre, this property is an excellent choice for first-home buyers or investors looking for a modern and elegant home in a highly sought-after neighbourhood.

*Concept pricing only. Price is subject to change based on specifications and inclusions. Price variants may occur across regions based on supply.
