Everything You Call Home

Floorplan Waipapa

Further elevate your living experience with our stunning single level open-plan design. At 225sqm, the Waipapa plan features a sleek, urban style design with a monopitch roof and feature cladding. Raked ceilings, a three-way bathroom, office and spacious master suite with generous ensuite and walk-through wardrobe make this an attractive family home.

Living in style has never felt so good, and the visually superb kitchen, complete with a generous walk-in pantry will steal your heart. There's plenty of space to entertain or unwind here, with two cosy

living areas and a large office providing options for flexibility and convenience.

A generous-sized garage, with ample storage room for toys completes this extraordinary home. Close to the Marina shopping hub, restaurants, cafes and stunning beaches, this property is an excellent choice for buyers looking for a modern and elegant home in a highly sought-after neighbourhood.

*Concept pricing only. Price is subject to change based on specifications and inclusions. Price variants may occur across regions based on supply.
