Floorplan New Plymouth

The Platinum New Plymouth plan at 245 sqm is perfect for this 600 sqm site. Featuring four generous-sized bedrooms, including a spacious master with a walk-in wardrobe, and a self-contained guest wing, perfect for extra family members or home and income opportunities.

Living in style has never felt so good, and the visually superb open-plan kitchen, complete with a central island that connects seamlessly to the dining and living areas will steal your heart.

A generous-sized garage, with ample storage room for toys completes this extraordinary home. Close to the Marina shopping hub, restaurants, cafes and stunning beaches, this property is an excellent choice for buyers looking for a modern and elegant home in a highly sought-after neighbourhood.

*Concept pricing only. Price is subject to change based on specifications and inclusions. Price variants may occur across regions based on supply.
