Floorplan Napier

The Napier plan at 240sqm is a classic low maintenance design with plenty of space for family living and entertaining and as with all our plans provides a great foundation upon which you can create 'your place'.

Included in this plan are an office and a separate media room, and the layout is free flowing throughout the living, dining, and kitchen spaces. The kitchen features a generous walk-through pantry and a large central island marking the social hub of the home. A large alfresco dining area is also accessible off the living area.
